## Introduction

Welcome to your Natal Chart report.

Your Natal Chart report is an astrological chart based on the mathematically precise positions of the planets and the Sun & Moon at the time, date and place of your birth. It provides you with insights into your character and personal life potentials by indicating the strengths you have and the challenges you experience in life.

Your Natal Chart report covers among other things your primary motivation in life, your identity, emotions, mentality, love and sexuality, spirituality, earning ability and career potentialities and so on.

In some parts of the report you will come across apparent contradictions in the descriptions of your character. This is to be expected; people are complex and have many contradictory facets to their personality.

# The 1st House

*The 1st House describes you, your self-expression and vitality. It is your physical appearance and the way others see you and interact with you. The 1st House cusp is, in most cases, the Ascendant or Rising Sign of your chart and indicates your primary motivation in life. The house placement of your 1st House ruler shows the areas of life that are of primary importance to you. Also, planets in your 1st House influence how you present yourself to the world.*

A true seeker of wisdom and knowledge, you range far and wide geographically and intellectually. Higher education and international travel appeal to you. Most likely you will pursue both of these.

The outcome of this house is determined by the placement of its ruler.

## **1st House Cusp Ruler, Jupiter, in 1st House**
